

Builders Open Call

We are starting to build! TDF has secured funding to start major renovations. In Jan 2025 the first phase of accommodation will start with a professional contractor and alongside that we are self building various projects to support the opening of TDF V2.

Requirements: 6 hours per day - 1 month minimum

Free accommodation & food (glamping tents available or bring your van)

Token rewards for completed projects! We will be offering tokens to builders who take projects from start to completion. Rewards will be negotiated with the team.

Community culture: Experience co-living with fellow builders and the TDF team. We will have regular community activities, saunas, experiential dinners, music jams, embodiment practices, yoga, massage and more.

Build Projects:

- Bio Pool - Concrete & Geomembrane installation with ceramic tiling.
- Small House - New windows, insulation, opening up central lounge, building mezzanine, refurbishment and furniture build.
- Temple - Sealing the walls and pool construction. Adding stretch roof.
- Workshops and Activity Space - Full refurbishment with new floors and mezzanine, electrics, plumbing, insulation, roof tiling.

Skill & qualifications that can support us:

- Practical build skills
- Electrical
- Plumbing
- Cement & plastering
- Carpentry
- Painting & decorating
- Stoneworks
- Tools & machinery operation
- Design & drawing skills

Timeframe: Starting October 2024 - December 2025

We are ideally looking for people to join us from October and stay with the team over winter but the build will continue to the end of next year.
